HARFORD COUNTY, MARYLAND

## HARFORD COUNTY WATER AND SEWER BONDS OF 1997

SEALED BIDS will be received by the Treasurer of Harford County, Maryland at 220 South Main Street, Bel Air, Maryland, until 11:00 o'clock A.M., E.S.T. or E.D.T. (whichever shall then be in effect) on February 25, 1997 for the purchase of Ten Million One Hundred Twenty-Five Thousand Dollars (\$10,125,000) Harford County, Maryland Water and Sewer Bonds of 1997 (the "Bonds") all being dated March 1, 1997, and bearing interest payable semi-annually on the first days of September and March until maturity. These bonds are issued under the provisions of an Ordinance adopted by proceedings of the County Council of Harford County, Maryland on \_\_\_\_\_, 1996. These bonds mature on March 1 in each of the years 1998 to 2017 as follows: Five Hundred Thousand Dollars (\$500,000) in each of the years 1998 through 2016, inclusive; and Six Hundred Twenty-Five Thousand Dollars (\$625,000) in the year 2017.

The proceeds of the sale of these bonds will be used to finance the cost of construction, reconstruction, improvement, extension, acquisition, alteration, repair, the cost of acquiring sites, making site improvements, architectural and engineering services, including preparation of plans, drawings and specifications, and the development of the grounds and landscaping and all customary appurtenances and equipment for the renovation and expansion of certain Water and Sewer Capital Projects described in the Ordinance and as more particularly set forth in the Annual

1 Budget and Appropriation Ordinances of Harford County, Maryland; as amended, for  
2 the year ending June 30, 1997. The principal of these Bonds will be payable in  
3 lawful money of the United States of America at the time of payment, upon  
4 presentation and surrender thereof, at the principal office of \_\_\_\_\_

5 \_\_\_\_\_, Baltimore, Maryland ("Bond Registrar" and "Paying Agent").

6 Payment of interest on the Bonds shall be made by the Paying Agent on each  
7 payment date, to each person appearing on the registration books of the County,  
8 maintained by the Bond Registrar, as the registered owner thereof, by check or draft  
9 mailed to each such registered owner at his or her address as it appears on such  
10 registration books.

11 The bonds will be issued in the denomination of Five Thousand Dollars  
12 (\$5,000) or integral multiples thereof. The bonds will be subject to registration on  
13 books kept for that purpose at the principal office of the Bond Registrar.

14 The bonds which mature on or before \_\_\_\_\_, are not subject to  
15 redemption prior to their maturities. The bonds which mature on and after \_\_\_\_\_  
16 \_\_\_\_\_, shall be subject to redemption as a whole at any time or in part on any  
17 interest payment date, and in any order of maturity, at the option of the County on  
18 \_\_\_\_\_, or on any redemption date thereafter upon notice of call for  
19 redemption given by publication at least thirty (30) days prior to the date of  
20 redemption in a newspaper published and circulating in Harford County and in the  
21 City of Baltimore, Maryland, and also in a financial newspaper published and  
22 circulating in the City of New York, New York, at a redemption price, expressed as

1 a percentage of the principal amount of the bonds to be redeemed, set forth in the  
2 table below, together with interest accrued to the date fixed for redemption:

3 Date of Redemption

Optional Redemption Price

4 If less than all of the bonds of any one maturity shall be called for redemption, the  
5 particular bonds to be redeemed shall be selected by lot by the Paying Agent.

6 Each bid must be submitted on the prescribed form accompanying the  
7 Preliminary Official Statement and must be enclosed in a sealed envelope addressed  
8 to "Treasurer, Harford County, Maryland, Bel Air, Maryland", and marked on the  
9 outside "Proposal for Water and Sewer Bonds of 1997", such bid to be accompanied  
10 by a good faith deposit in the form of a certified check upon, or a cashier's or  
11 treasurer's check of, a responsible banking institution or a financial surety bond as  
12 described below, payable to "Harford County, Maryland" for Two Hundred Thousand  
13 Dollars (\$200,000). The check of the successful bidder will be collected and the  
14 proceeds thereof retained by the County to be applied in part payment for the bonds,  
15 and no interest will be allowed upon the amount thereof; but, in the event the  
16 successful bidder shall fail to comply with the terms of such bid, the proceeds of such

1 check will be retained as and for full liquidated damages. The checks of the  
2 unsuccessful bidders will be returned promptly.

3 In lieu of submitting a check, a bidder may submit a financial surety bond from  
4 an insurance company satisfactory to the County licensed to issue such a bond in the  
5 State of Maryland, and such bond must be submitted to the County c/o Miles &  
6 Stockbridge, a Professional Corporation, 600 Washington Avenue, Towson, Maryland  
7 21204, Bond Counsel, prior to 11:00 a.m., E.S.T. or E.D.T. (whichever time shall  
8 then be in effect) on the date of sale. The financial surety bond must identify each  
9 bidder whose good faith deposit is guaranteed by such financial surety bond. If the  
10 bonds are awarded to a bidder utilizing a financial surety bond, then the successful  
11 bidder is required to submit its good faith deposit to the Treasurer of the County in  
12 one of the forms described in the preceding paragraphs not later than 3:30 p.m.  
13 (E.S.T or E.D.T. [whichever time shall then be in effect]) on the next business day  
14 following the award. If such good faith deposit is not received by that time, the  
15 financial surety bond may be drawn by the County to satisfy the good faith deposit  
16 requirement.

17 Harford County will not consider and will reject any bid for the purchase of less  
18 than all of the above described bonds. The right is reserved to reject any and all bids  
19 and to waive any informality or irregularity in any proposal or bid. Acceptance of the  
20 successful bid is subject to approval, by resolution, of the County Council of Harford  
21 County, Maryland.

22 It is expected that CUSIP identification numbers will be printed on the bonds,  
23 but neither the failure to print any such number on any bond nor any error with

1 respect thereto shall constitute cause for a failure or refusal by a successful bidder  
2 to accept delivery of and pay for the Bonds in accordance with the terms of this  
3 Notice of Sale.

4 Bidders must bid at least par for the bonds and accrued interest to the date of  
5 delivery of the bonds, and must specify the rate or rates of interest to be paid  
6 thereon, in multiples of one-eighth (1/8th) or one-twentieth (1/20th) of one percent  
7 (1%) per annum. Bidders may specify more than one rate of interest to be borne by  
8 the bonds, but may not specify more than one interest rate for the bonds of each  
9 maturity. A zero rate cannot be named for any maturity. The interest payable on any  
10 bond on any interest payment date shall be represented by a single interest rate. The  
11 differences between the highest and lowest interest rates shall not exceed two  
12 percent (2%).

13 Bids will be opened promptly after 11:00 A.M., E.S.T. or E.D.T. (whichever  
14 time shall then be in effect) on February 25, 1997, or such other date and at such  
15 other time as may be provided in a resolution of the County Council of Harford  
16 County, Maryland. The award, if made, will be made promptly after the bids are  
17 opened to the bidder offering the lowest true interest cost to Harford County,  
18 Maryland, within the guidelines of this Notice of Sale, such lowest interest cost to be  
19 determined in accordance with the true interest cost (TIC) method by doubling the  
20 semi-annual interest rate (compounded semi-annually) necessary to discount the debt  
21 service payments from the payment date to the date of the Bonds and to the price  
22 bid, excluding interest accrued to the date of delivery. If two or more responsible  
23 bidders have made proposals, each of which represents the lowest true interest cost

1 to the County (computed in accordance with the terms of this Notice of Sale), then  
2 the bonds may be awarded, with their consent, in a ratable portion among such  
3 bidders, or the County may, in its sole discretion, determine to which of such bidders  
4 the bonds will be awarded.

5 The Bonds will be delivered to the successful bidder or bidders as soon as  
6 practicable, upon due notice and at the expense of the County, at such location in  
7 New York, New York or Baltimore, Maryland, as the successful bidder may designate,  
8 upon payment of the successful bid (including any premium) plus accrued interest to  
9 the date of delivery; less the deposit theretofore made. Such payment shall be made  
10 in federal funds or other immediately available funds. The successful bidder shall  
11 advise the Bond Registrar of the names of the initial registered owners of the bonds  
12 and the denominations of the initial bonds not later than seven (7) business days  
13 before the expected date and time of delivery of the bonds.

14 The successful bidder must, prior to the delivery of the Bonds, certify to the  
15 County the amount of the initial offering price to the public (excluding bond houses  
16 and brokers) at which a substantial portion (at least 10%) of the bonds of each  
17 maturity have or will be sold.

18 The Bonds, and payment of the principal and interest thereon, will be the  
19 unconditional general obligation of the County and will constitute an irrevocable  
20 pledge of the full faith and credit and unlimited taxing power of Harford County.

21 The issuance of these Bonds will be subject to legal approval of Miles &  
22 Stockbridge, a Professional Corporation, Baltimore, Maryland, and a copy of their  
23 opinion will be delivered upon request, without charge, to the successful bidder for

1 the bonds. The text of such approving legal opinion will be printed on each bond.  
2 There will also be furnished the usual closing papers, including a certificate stating  
3 that there is no litigation pending affecting the validity of the bonds.

4 It shall be a condition to the obligation of the successful bidder to accept  
5 delivery of and pay for the Bonds that, simultaneously with or before delivery and  
6 payment for the Bonds, such bidder shall be furnished a certificate or certificates of  
7 the County Executive, Treasurer and Director of Administration to the effect that, to  
8 the best of their knowledge and belief, the Official Statement (and any amendment  
9 or supplement thereto) as of the date of sale and as of the date of delivery of the  
10 Bonds does not contain any untrue statement of a material fact and does not omit to  
11 state a material fact necessary to make the statements therein, in the light of the  
12 circumstances under which they were made, not misleading and that between the  
13 date of sale and the date of delivery of the Bonds of such issue there has been no  
14 material adverse change in the financial position or revenues of the County except as  
15 reflected or contemplated in the Official Statement (and any amendment or  
16 supplement thereto).

17 The Preliminary Official Statement of the County concerning the Bonds (the  
18 "Preliminary Official Statement") is in a form "deemed final" by the County for  
19 purposes of SEC Rule 15c2-12(b)(1) (the "Rule") but is subject to revision,  
20 amendment and completion in the final Official Statement.

21 As soon as practicable after the award of the Bonds to the successful bidder  
22 therefor on the day of sale, the County will approve the final Official Statement for  
23 the Bonds. By submitting its bid for the Bonds, each bidder agrees that, if it is the

1 successful bidder, it will provide the County with pricing information and such other  
2 information as the County may require in order that the County may provide the  
3 successful bidder with a final Official Statement in compliance with the Rule.  
4 Whether or not any such information is included in the Official Statement (and any  
5 amendment or supplement thereto), such successful bidder shall be responsible to the  
6 County and its officials in all respects for the accuracy, fairness and completeness of  
7 such information, and for all decisions made with respect to the use or omission of  
8 such information in any re-offering of the bonds, including the presentation or  
9 exclusion of any such information in any documents, including the Official Statement.  
10 Within seven (7) business days after the award of the Bonds, the successful bidder  
11 will also be furnished, without cost, with up to 100 copies of the Official Statement  
12 (and any amendment or supplement thereto), and such successful bidder may obtain  
13 additional copies at its own expense.

14       The County will undertake to provide the successful bidder with further  
15 additional information to be included in such Official Statement, when in the opinion  
16 of the County or of Bond Counsel, such additional information constitutes a material  
17 change to such Official Statement. The County will take such steps as are necessary  
18 to arrange for amending and supplementing the Official Statement in connection with  
19 the disclosure of such additional information; provided, however, that the County  
20 shall have no obligation to provide such additional information after the date which  
21 is twenty-five (25) days after the "end of the underwriting period", as such term is  
22 defined in the Rule.

The Preliminary Official Statement, a full financial statement concerning Harford County, the required form of proposal, and other data in reference thereto as may be desired will be supplied to prospective bidders upon request made to James M. Jewell, Treasurer, 220 South Main Street, Bel Air, Maryland [(410) 879-2000], or from Public Advisory Consultants, 117 Water Street, Baltimore, Maryland 21202 [(410) 539-2418], Financial Advisor to the County.

15 inaccuracy of these figures will not effect the validity of the proposal.) The  
16 differences between the highest and lowest interest rates shall not exceed two per  
17 cent (2%). A zero rate may not be named for any maturity.

18 SECTION 14. Be it further enacted by the County Council of Harford County,  
19 Maryland that upon request of the County Executive, the County Council of Harford  
20 County, Maryland may, at any time, prior to the public sale of the bonds, by  
21 administrative resolution(s), change the projects to be constructed with the proceeds  
22 of sale of the bonds, and the County Executive by Executive Order may determine or  
23 change the Notice of Sale, date of sale, the date or location of bid opening, the dates

1 of maturity or redemption of the bonds, the amount of the bonds to be sold (but not  
2 in excess of and the amounts of bonds maturing in each year, the interest payment  
3 dates of the bonds, appoint paying agent(s) and/or registrar(s) for the bonds, whether  
4 ownership of the bonds or other indebtedness shall be maintained in book entry form,  
5 and the terms of sale of the bonds.

6       SECTION 15. Be it further enacted by the County Council of Harford County,  
7 Maryland that immediately after the sale of the bonds, and upon written  
8 recommendation of the County Executive the interest rate or rates payable thereon  
9 shall be fixed by a resolution of the County Council of Harford County, Maryland in  
10 accordance with the terms and conditions of the sale of the bonds. The bonds shall  
11 thereupon be suitably printed or engraved and duly executed and delivered to the  
12 purchaser in accordance with the conditions of delivery set forth in the foregoing  
13 Notice of Sale. The proceeds of the sale of the bonds, including any premium and  
14 accrued interest received therefor, shall be paid to the Department of the Treasury of  
15 Harford County and shall be deposited in a special account of Harford County,  
16 Maryland. The County may, at its option, deduct from the gross proceeds received  
17 from the sale of the bonds the cost of issuing the same, including the cost of  
18 advertising, printing and professional fees (including legal) and expenses. There shall  
19 be deducted from the total gross proceeds received from the sale of the bonds the  
20 amount received on account of accrued interest on the bonds, which amount shall be  
21 set apart by the Treasurer of Harford County in a special fund and applied to the first  
22 maturing interest payments on the bonds. The balance of the proceeds of the sale  
23 of the bonds shall be expended only to finance the Projects as set forth in this

1 Ordinance and as more particularly described in the Annual Budget and Appropriation  
2 Ordinance of Harford County, Maryland, as amended, for the year ending June 30,  
3 1997. If the funds derived from the sale of the bonds shall exceed the amount  
4 needed to finance said Projects, the excess funds so borrowed and not expended by  
5 the County shall be applied by the County in payment of the next principal maturity  
6 of the bonds so issued, unless the County Council of Harford County, Maryland shall  
7 adopt a resolution or ordinance allocating said excess funds to finance any lawful  
8 modification of such Projects, or to the extent then permitted by law, any other  
9 project lawfully undertaken by the County as may be provided by subsequent  
10 resolution or ordinance approved by the County Council of Harford County, Maryland.

11 SECTION 16. Be it further enacted by the County Council of Harford County,  
12 Maryland that in the event the fees and charges described in Section 6 are insufficient  
13 to pay the principal of and/or interest on the bonds or other indebtedness in any  
14 year(s), for the purpose of paying the interest on, premium (if any) and principal of  
15 the bonds or other indebtedness authorized by this Ordinance, there is hereby levied  
16 and there shall hereafter be levied in each fiscal year that any of the bonds or other  
17 indebtedness are outstanding, *ad valorem* taxes on real and tangible personal property  
18 and intangible property subject to taxation by the County without limitation on rate  
19 or amount; and, in addition, upon such other intangible property as may be subject  
20 to taxation by the County within limitations prescribed by law, in an amount sufficient  
21 together with funds available from other sources, to pay the annual interest on the  
22 outstanding bonds or other indebtedness and to redeem the bonds or other  
23 indebtedness maturing during the succeeding year; and the full faith and credit and

1 the unlimited taxing power of the County are hereby irrevocably pledged to the  
2 punctual payment of the principal of and interest on the bonds or other indebtedness  
3 as and when they mature. The County, by the passage of this Ordinance hereby  
4 covenants and agrees properly and promptly to perform all of the respective acts and  
5 duties defined in this Ordinance for the levy and collection of the aforesaid *ad valorem*  
6 tax upon all the assessable property within the corporate limits of the County, as the  
7 levy and collection of such a tax becomes necessary in order to meet the debt service  
8 requirements of Harford County Water and Sewer Bonds of 1997. By this Ordinance,  
9 the County agrees to take all action it may be legally authorized and empowered to  
10 take in order to enforce, in any year in which any of the bonds or other indebtedness  
11 are outstanding, the guarantee of such bonds or other indebtedness by the County.

12       SECTION 17. Be it further enacted by the County Council of Harford County,  
13 Maryland that as a part or all of the aggregate indebtedness authorized by this  
14 Ordinance, upon written recommendation of the County Executive and adoption of  
15 the Administrative Resolution (as defined in Section 17B of this Ordinance) the  
16 County shall borrow upon its full faith and credit and unlimited taxing power of the  
17 County, and shall issue and sell upon its full faith and credit and the unlimited taxing  
18 power of the County, a bond as a single, fully-registered bond in the maximum  
19 principal amount not to exceed Ten Million One Hundred Twenty-Five Thousand  
20 Dollars (\$10,125,000) pursuant to the authority of the Charter, Article 25A of the  
21 Annotated Code of Maryland, and the Water Quality Act for the upgrade, expansion  
22 and improvement of all or part of the sewer or waste water facility Projects (the  
23 "Facility"). The sale of the bond shall be conducted as more fully described in this

1 Section 17 of this Ordinance and the aggregate amount of bonds otherwise  
2 authorized by this Ordinance shall be reduced by the amount of the bond sold  
3 pursuant to the Water Quality Act. The County, as a body politic and corporate and  
4 a political subdivision of the State of Maryland, hereby determines to borrow money  
5 and incur indebtedness for the public purpose of financing the costs of the acquisition  
6 and development of the Facility which shall include: (i) actual and estimated costs  
7 of the issuance of the bond, (ii) engineering expenses, (iii) inspection expenses, (iv)  
8 fiscal expenses, (v) legal expenses; and (vi) interest estimated to accrue during the  
9 construction and for 24 months on money borrowed or expected to be borrowed.  
10 The development costs shall be more fully described in the Administrative Resolution  
11 (as defined in Section 17B of this Ordinance). It is the intent of the County Council  
12 of Harford County, Maryland that the costs of the Facility be financed with the  
13 proceeds from the sale of the bond and that the County also be reimbursed out of  
14 such bond proceeds for all costs of acquisition incurred by the County; provided,  
15 however, that such expenses have been incurred by the County not more than one  
16 (1) year prior to the issuance of the bond:

17           A. The Facility shall constitute a "wastewater facility" within the  
18 meaning of Section 9-1601(n) of the Water Quality Act.

19           B. Such borrowing and indebtedness of the County shall be made and  
20 incurred pursuant to Section 9-1606 and Section 9-1615(b) of the Water Quality Act  
21 and in accordance with the provisions of a Loan Agreement between the County, as  
22 Borrower, and the Administration. The Loan Agreement shall be substantially in such  
23 form as is approved by a resolution supplemental to this Ordinance and passed

1 subsequent to the enactment of this Ordinance (the "Administrative Resolution")  
2 which Administrative Resolution shall set forth the details of the bond and the terms  
3 of the loan, in such manner as shall not be inconsistent with the provisions and  
4 requirements of this Ordinance. The Loan Agreement (the form of which shall be  
5 attached to the Administrative Resolution and approved therein) shall contain in its  
6 final form such insertions, omissions, variations, or changes (collectively "changes")  
7 as may be deemed necessary or appropriate and which shall be acceptable to the  
8 County Executive, and the County Executive is hereby authorized, and shall be  
9 authorized by the Administrative Resolution, to make such changes in the Loan  
10 Agreement as she may deem appropriate.

11 C. To evidence the payment of obligations of the County under the Loan  
12 Agreement, the County shall issue and sell, upon its full faith and credit and unlimited  
13 taxing power of the County, the bond, as a general obligation installment bond in the  
14 maximum amount not to exceed Ten Million One Hundred Twenty-Five Thousand  
15 Dollars (\$10,125,000) which bond shall be known as "Harford County, Maryland  
16 Water Quality Bond, Series 1997".

17 The proceeds from the sale of the bond shall be generally used for the  
18 purposes set forth in this Section 17 of this Ordinance as more fully described in the  
19 project description as set forth and approved by the Administrative Resolution. The  
20 bond shall be issued as a single fully-registered bond in the maximum amount not to  
21 exceed Ten Million One Hundred Twenty-Five Thousand Dollars (\$10,125,000),  
22 payable to the registered owner thereof. The bond shall be dated as of the date of  
23 delivery to the purchaser; shall be numbered R-1; shall be registered in the name of

1 the Administration or its designee; shall be payable in such principal installments and  
2 shall bear interest at such rate as shall appear on the final executed bond. The  
3 maturity of the bond and the date of final maturity shall appear in the executed bond.  
4 In no event shall the final date of maturity of the bond exceed thirty (30) years from  
5 the date of issuance of the bond. The interest rate upon the bond shall be determined  
6 by the Administration as a percentage of the true interest cost (TIC) of the  
7 Administration's Revolving Loan Fund Revenue Bonds, Series 1997 (the  
8 "Administration's Revenue Bonds").

9           The principal installments payable on the bond and the rate of interest  
10 to be borne by the bond (or the manner of determining the principal payments and  
11 rate of interest) shall be established by the Administrative Resolution. Such  
12 determination of the principal and interest on the bond shall be in accordance with the  
13 terms and conditions of the Loan Agreement. The rate of interest approved by the  
14 Administrative Resolution shall in no event exceed the maximum rate permitted by  
15 law and such interest rate shall appear in the executed bond.

16           The form of the bond, together with the statement of principal  
17 installments (annual or semi-annual as shall be finally approved by the County  
18 Executive pursuant to Section 17 of this Ordinance) and such installments of interest  
19 as therein set forth, and all of the covenants and conditions as shall be contained in  
20 the bond, shall be adopted by the County Council of Harford County, Maryland  
21 pursuant to the Administrative Resolution and such covenants and conditions shall  
22 be made binding upon the County, including the promise to pay therein contained.

1 Execution of the bond by the County Executive shall constitute conclusive evidence  
2 of such approval.

3 D. The County will also execute and deliver in connection with the  
4 issuance of the bond, additional documents (the "Water Quality Documents")  
5 including, but not limited to, the Loan Agreement, and such other documents,  
6 agreements, instruments and certificates as the County Executive, upon advice of  
7 legal counsel, shall deem necessary for the financing of the acquisition of the Facility.  
8 Because this Ordinance is being adopted before all of the details of the sale of the  
9 bond and the issuance and sale of the Administration's Revenue Bonds have been  
10 finalized, the County Executive, pursuant to the powers reserved unto her under this  
11 Section 17 and as set forth in the Administrative Resolution, is hereby authorized to  
12 make such changes to the form of the bond and the Documents, including insertions  
13 therein or additions or deletions thereto, as she may deem necessary to conform the  
14 terms of the bond and the Water Quality Documents to the terms of the financing to  
15 be provided to the County by the Administration; provided, however, that such  
16 changes, additions or deletions are not in substance inconsistent with or contrary to  
17 the requirements set forth in this Ordinance or in the Administrative Resolution.

18 E. The Loan Agreement and the bond shall be executed on behalf of and  
19 in the name of the County by the County Executive, such execution to be made by  
20 the manual or facsimile signature of the County Executive. The corporate seal of the  
21 County shall be affixed to the Loan Agreement and to the bond, and each shall be  
22 attested by the signature of the Director of Administration. If any officer whose  
23 signature shall appear on the bond or the Water Quality Documents shall cease to be

1 such officer before the delivery of the bond or the Water Quality Documents, such  
2 signature shall nevertheless be valid and sufficient for all purposes, the same as if he  
3 had remained in office until such delivery. The County Executive is hereby  
4 authorized, empowered and directed to complete the applicable forms of the bond and  
5 the Water Quality Documents as such forms may be approved by the County Council  
6 of Harford County, Maryland through the Administrative Resolution and the County  
7 Executive shall make corrections or changes thereto in any manner which the County  
8 Executive, in her discretion, shall deem necessary to complete the issuance and sale  
9 of the bond and the execution and delivery of the Water Quality Documents, all as  
10 may promote the objectives of the County as set forth in this Ordinance. The Loan  
11 Agreement and the bond, as executed by the County Executive, shall be valid and  
12 legally binding obligations of the County in accordance with their terms.

13 F. Notwithstanding any section of the Charter or of Article 25A of the  
14 Annotated Code of Maryland, and as authorized by Section 9-1606 of the Water  
15 Quality Act, the bond may be sold at private sale to the Administration, public  
16 advertisement and sale of the bond not being required by the terms of the Water  
17 Quality Act, and such private sale is determined to be in the best interests of the  
18 County. The details of the sale of the bond shall be determined in accordance with  
19 the Administrative Resolution. The bond shall be sold for cash at not less than par  
20 in accordance with the terms and provisions of this Ordinance and the Administrative  
21 Resolution. The County Executive, in her discretion, is expressly authorized and  
22 empowered to take any and all action necessary to complete and close the award,  
23 sale and delivery of the Bond to the Administration including, without limitation,

1 making such changes or modifications in the form of the bond and adopted therein  
2 as she may deem to be necessary or appropriate to comply with Administration  
3 practices and policies applicable from time to time; provided, however, that such  
4 actions taken by the County Executive shall not be in substance inconsistent with or  
5 contrary to the provisions of this Ordinance or the Administrative Resolution.

6 G. The proceeds of sale of the bond shall be held, invested and  
7 administered by the Administration pursuant to the Loan Agreement and shall be  
8 used, when and as required, to be applied from time to time as and when received  
9 by the County to finance costs of the Facility in compliance with the provisions of the  
10 Loan Agreement, the Charter, the Harford County Code (the "Code") and the Water  
11 Quality Act. Any balance of the proceeds of the Loan remaining subsequent to  
12 payment in full of all the costs of the Facility may be applied to reduce the principal  
13 of the Loan in accordance with the terms of the Loan Agreement.

14 H. For the purpose of paying the maturing principal of and interest on  
15 the bond when due, the County has established or shall establish a dedicated source  
16 of revenues as shall be described in the Loan Agreement. In the event such revenues  
17 are insufficient to meet the debt service requirements in any fiscal year in which the  
18 bond is outstanding, the County shall levy in such fiscal year upon all real and  
19 tangible personal property within its jurisdictional limits subject to assessment for  
20 unlimited County taxation *ad valorem* taxes in rate and amount sufficient to provide  
21 for the prompt payment of such principal and interest on the bond in such fiscal year,  
22 and, if the proceeds from the collection of taxes so levied in any such fiscal year are  
23 inadequate for such payment, additional taxes shall be levied in the succeeding fiscal

1 year to make up such deficiency. The full faith and credit and unlimited taxing power  
2 of the County are hereby irrevocably pledged to the payment of the principal of and  
3 interest on the bond as and when they become due and payable and to the levy and  
4 collection of the taxes hereinabove described as and when such taxes may become  
5 necessary in order to provide sufficient funds to meet the debt service requirements  
6 of the bond. The County hereby covenants and agrees with the registered owner of  
7 the bond to levy and collect the taxes hereinabove described and to take any action  
8 that may be appropriate from time to time during the period that the bond remains  
9 outstanding and unpaid to provide the funds necessary to pay promptly the principal  
10 and interest due thereon.

11 I. The Bond is being issued in connection with the Administration's  
12 Maryland Water Quality Revolving Loan Fund Program (the "Program") and will  
13 evidence the County's obligation to repay the Loan advanced from the proceeds of  
14 the sale of the Administration's Revenue Bonds. The Loan Agreement limits the  
15 ability of the County to prepay the bond in accordance with restrictions upon the  
16 ability of the Administration to redeem the Administration's Revenue Bonds.  
17 Accordingly, the County may prepay the bond only in accordance with the provisions  
18 of the Loan Agreement and the terms governing prepayment as set forth in the bond.

19 J. The County Executive shall be the certifying official for the County  
20 responsible for the execution and delivery on the date of the issuance of the bond of  
21 a tax and arbitrage certificate of the County that complies with the requirements of  
22 Section 148 of the Internal Revenue Code of 1986, as amended, and the applicable  
23 regulations thereunder. The County Executive is hereby authorized and directed to

1 execute and deliver the tax and arbitrage certificate to counsel rendering an opinion  
2 on the excludability from gross income of interest on the bond for purposes of federal  
3 income taxation on the date of the issuance of the bond. The tax and arbitrage  
4 certificate shall set out the reasonable expectations of the County as to relevant  
5 facts, estimates and circumstances relating to the use of the proceeds of the bond  
6 or of any moneys, securities or other obligations to the credit of any account of the  
7 County which may be deemed to be bond proceeds under Section 148 or the  
8 arbitrage regulations. The County covenants with the owner of the bond that the  
9 facts, estimates and circumstances set forth in the tax and arbitrage certificate will  
10 be based on the County's reasonable expectations on the date of the issuance of the  
11 bond and will be, to the best of the certifying officials' knowledge, true, correct and  
12 complete as of that date.

13 K. The County covenants and agrees with the registered owner of the  
14 bond that it will not make, or (to the extent that it exercises control or direction)  
15 permit to be made, any use of the bond proceeds that would cause the bond to be  
16 an "arbitrage bond" within the meaning of Section 148 and the arbitrage regulations.  
17 The County further covenants that it will comply with Section 148 of the Internal  
18 Revenue Code of 1986, as amended, and the regulations thereunder which are  
19 applicable to the bond on the date of issuance of the bond and which may  
20 subsequently lawfully be made applicable to the bond. The County further covenants  
21 that it shall make such use of the proceeds of the bond, to the extent possible  
22 regulate the investment of the proceeds thereof, and take such other and further  
23 actions as may be required to maintain the excludability from gross income, for

1 federal income tax purposes, of interest on the bond. All officers, employees and  
2 agents of the County are hereby authorized and directed to take such actions, and  
3 to provide such certificates of facts and estimates regarding the amount and use of  
4 the proceeds of the bond, as may be necessary or appropriate from time to time to  
5 comply with, or to evidence the County's compliance with, the covenants set forth  
6 in this Section.

7 L. The principal amount of the bond to be sold to the Administration  
8 pursuant to the Water Quality Act shall be determined in a resolution adopted by the  
9 County Council of Harford County, Maryland upon written recommendation of the  
10 County Executive and shall constitute a portion of the Ten Million One Hundred  
11 Twenty-Five Thousand Dollars (\$10,125,000) principal amount of bonds and  
12 indebtedness authorized to be incurred pursuant to this Ordinance. In no event may  
13 the aggregate indebtedness incurred by the County pursuant to this Ordinance exceed  
14 Ten Million One Hundred Twenty-Five Thousand Dollars (\$10,125,000).

15 SECTION 18. Be it further enacted by the County Council of Harford County,  
16 Maryland that Harford County, Maryland is hereby authorized and empowered from  
17 time to time to issue its Bond Anticipation Note or Notes on the full faith and credit  
18 and unlimited taxing power of the County in an amount not exceeding Ten Million  
19 One Hundred Twenty-Five Thousand Dollars (\$10,125,000), the net proceeds of such  
20 sale to be used to finance part or all of the cost of the Projects; the sale of such  
21 Notes to be upon such terms as may be directed by resolution of the County Council  
22 of Harford County, Maryland.

1       Such Bond Anticipation Note or Notes or other evidence of indebtedness shall  
2 not have a maturity in excess of twelve (12) months from the date of issue.

3       The Treasurer of Harford County, Maryland, prior to the issuance of any such  
4 Bond Anticipation Note or Notes or other evidence of indebtedness of the County  
5 shall present the terms of such notes to the County Council of Harford County,  
6 Maryland for approval by Resolution of the County Council of Harford County,  
7 Maryland prior to the issuance of such Bond Anticipation Note or Notes.

8       The Bond Anticipation Note or Notes will bear interest at the rate or rates so  
9 negotiated by the Treasurer and approved by Resolution of the County Council of  
10 Harford County, Maryland and the Bond Anticipation Note or Notes when issued shall  
11 be issued in the name of Harford County by the signature of the County Executive,  
12 the corporate seal of the County shall be imprinted on such Bond Anticipation Note  
13 or Notes and such Bond Anticipation Note or Notes shall be used only for those  
14 purposes approved in a Resolution of the County Council of Harford County, Maryland  
15 adopted subsequent to the adoption of this Ordinance.

16       The Bond Anticipation Note or Notes shall not be issued in an amount greater  
17 than the amount of bonds or other indebtedness authorized in anticipation of the sale  
18 of which the Bond Anticipation Note or Notes are issued and sold.

19       The principal of and interest on the Bond Anticipation Note or Notes shall be  
20 payable out of the first proceeds of sale of the bonds, or from the tax or other  
21 revenue which the County shall previously determine to apply to the payment of the  
22 bonds and interest thereon.

1 Twelve (12) months interest on the Bond Anticipation Note or Notes or any  
2 renewal thereof may be paid from the proceeds of sale of the bonds accounting from  
3 the initial date of issue thereof.

4 By resolution adopted by the County Council of Harford County, Maryland, the  
5 County may provide for the renewal of the Bond Anticipation Note or Notes at  
6 maturity with or without resale.

7 Immediately after the sale of the Bond Anticipation Note or Notes and approval  
8 by resolution of the County Council of Harford County, Maryland, the proceeds of  
9 sale of such Bond Anticipation Note or Notes, after payment of expenses of issuing  
10 the same, shall be paid to the Department of the Treasury of Harford County,  
11 Maryland. The proceeds of sale of the Bond Anticipation Note or Notes shall be  
12 expended only to finance the Projects as defined above.

13 SECTION 19. Be it further enacted by the County Council of Harford County,  
14 Maryland that pursuant to Treasury Regulations 1.150-2, governing the use of bond  
15 proceeds for the purpose of reimbursing expenditures paid prior to the issuance of  
16 bonds, and as permitted by Treasury Regulations 1.150-2(e)(1), the Treasurer of  
17 Harford County, Maryland is hereby duly designated to make declarations of Official  
18 Intent on behalf of the County. The County expects that all or a part of the capital  
19 expenditures for the Projects will be paid prior to the issuance of the Bonds, and that  
20 the proceeds of the Bonds will be used to reimburse the County for capital  
21 expenditures paid prior to the issuance of the Bonds. The County reasonably expects  
22 to reimburse a portion of the capital expenditures for the Projects with proceeds of  
23 the Bonds, in the maximum principal amount of \$2,000,000, and this Ordinance and

1 shall be available for public inspection at the offices of the County during regular  
2 business hours and in accordance with the laws of the State of Maryland and Harford  
3 County, regarding access to public records.

4 SECTION 20. Be it further enacted by the County Council of Harford County,  
5 Maryland that the County covenants and agrees with the registered owners, from  
6 time to time, of the Bonds as follows:

7 (a) The County covenants that it will not make any use of the proceeds  
8 of any of the Bonds or any moneys, securities or other obligations on deposit to the  
9 credit of the County or otherwise which may be deemed by the Internal Revenue  
10 Service to be proceeds of any of the Bonds pursuant to the Internal Revenue Code  
11 of 1986, as amended, and Income Tax Regulations thereunder (collectively, the  
12 "Code"), which would cause any of the Bonds to be "arbitrage bonds" or "private  
13 activity bonds" within the meaning of the Code.

14 (b) The County further covenants that it will comply with those  
15 provisions of the Code which are applicable to the Bonds on the date of issuance of  
16 the Bonds and which may subsequently lawfully be made applicable to the Bonds.  
17 To the extent that provisions of the Code apply to only a portion of the Bonds,  
18 proceeds of the Bonds or other moneys, securities or other obligations deemed to be  
19 proceeds, it is intended that the covenants of the County contained in this Section  
20 19 be construed so as to require the County to comply with the provisions of the  
21 Code only to the extent of such applicability.

22 (c) The County further covenants that it will not (i) take any action, (ii)  
23 fail to take any action, or (iii) make any use of the proceeds of any of the Bonds

1 which would cause the interest on any of the Bonds to be or become subject to  
2 federal income taxes in the hands of the registered holders of any of the Bonds.

3 (d) The County further covenants, in order to assist bidders in complying  
4 with S.E.C. Rule 15c2-12(b)(5), pursuant to a continuing disclosure certificate (the  
5 "Continuing Disclosure Certificate") signed by the County Executive, Treasurer and  
6 Director of Administration, to provide annual reports and notices of certain events.  
7 The undertaking of the County in the Continuing Disclosure Certificate shall be set  
8 forth in any Preliminary Official Statement and Official Statement and any amendment  
9 or supplement thereto.

10 SECTION 21. Be it further enacted by the County Council of Harford County,  
11 Maryland that upon recommendation of the County Executive, the County Council of  
12 Harford County, Maryland may adopt a resolution pursuant to Article 31, Section 2C  
13 of the Annotated Code of Maryland (1993 Replacement Volume and 1995  
14 Supplement), authorizing the loan authorized to be incurred and the bonds authorized  
15 to be sold by this Ordinance, to be consolidated for sale and issued, sold and  
16 delivered as a single issue of bonds with other bonds authorized to be sold to finance  
17 capital projects described in the Annual Budget and Appropriation Ordinances, as  
18 amended, or described in the Annual Budget and Appropriations Ordinances adopted  
19 by the County Council of Harford County, Maryland.

20 SECTION 22. Be it further enacted by the County Council of Harford County,  
21 Maryland that the provisions of this Ordinance are severable, and if any provision,  
22 sentence, clause, section or part hereof is held illegal, invalid or unconstitutional or  
23 inapplicable to any person or circumstances, such illegality, invalidity or

1 unconstitutional, or inapplicability shall not affect or impair any of the remaining  
2 provisions, sentences, clauses, sections or parts of this Ordinance or their application
